

Instructions for uploading files to Pressworks' FTP site

Mac Users |

If using a Mac you must use an FTP software (ie. Fetch).

Host | <ftp.pressworks.net>

User ID | client

Password | ftp

Please drag and drop your files into our **uploads** folder.

PC Users |

If using a PC go to your internet browser and type <ftp.pressworks.net>, then drag and drop your files into our **uploads** folder.

Please contact your sales representative and let him or her know the file name you have uploaded to our FTP site.
